

2018 **A5/S5**

Audi of America
Media Kit

OVERVIEW

New for 2018:

- ▶ The 2018 A5 Coupe/Cabriolet are standard equipped with a 2.0-liter TFSI® four cylinder engine coupled with either a seven-speed S tronic® dual-clutch automatic transmission or a six-speed manual transmission (Coupe only), to produce 252 hp and 273 lb-ft of torque.
- ▶ The 2018 S5 Coupe and S5 Cabriolet receive a 3.0-liter TFSI® V6 engine that produces 354 hp and 369 lb-ft of torque and sprints from 0-60 mph in 4.4 seconds* (for the Coupe).
- ▶ 2018 S5 models are also newly equipped with an eight-speed Tiptronic® automatic transmission that is well-suited for the low-end torque of the new V6 engine.
- ▶ The A5 and S5 Cabriolet feature a fully electronic top that can be lowered using the new one-touch opening function, in just 15 seconds, at speeds of up to 31 mph.
- ▶ Every Audi A5/S5 is standard-equipped with quattro® all-wheel drive. New for 2018, A5 models equipped with the six-speed manual offer the new quattro® with ultra® technology.
- ▶ The A5 model line also receives a redesigned front five-link suspension with lightweight construction which offers greater steering precision and excellent handling through optimized steering-rack placement direct at wheel centers.
- ▶ The available Audi virtual cockpit features a large, 12.3-inch display that delivers vibrant color at 60 frames per second with NVIDIA® quad core processing power. Two unique modes are available for viewing vital data: Classic and Infotainment, and on S5 models a Sport mode is added.
- ▶ Available for the first time in the A5 model line, MMI® touch® with handwriting-recognition technology includes a simplified function-key layout with two touch-keys for horizontal menu control logic.

Highlights:

- ▶ Standard Xenon plus headlights with LED daytime running lights on A5 models; full LED headlights on S5 models; standard LED taillights with dynamic rear turn signals.
- ▶ Standard Audi drive select with four different modes – comfort, auto, dynamic and individual.
- ▶ A full-color head-up display is available on A5 and S5 models, projecting relevant driving information directly in the driver's field of vision.
- ▶ Available Bang & Olufsen® sound system with 3D sound creates almost true-to-life surround sound reproduction.
- ▶ Newly available Audi connect® features (supported by 4G LTE where available) include online traffic info, weather updates, fuel prices, Apple Siri® Eyes Free integration for compatible devices, internet radio streaming as well as picture navigation, read-aloud personalized news headlines and Twitter® alerts, among other features.
- ▶ Standard Audi pre sense® basic and city.
- ▶ Standard Audi smartphone interface for compatible devices provides Apple Car Play™ and Google™ Android Auto integration via USB connection.

8.5" x 19" 5-spoke Cavo design contrasting gray/polished finish 255/35 R19 96Y XL summer performance tires*	—	□

*Tires are supplied and warranted by their manufacturer. High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tire specified for your car or its equivalent. These high-performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim, or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at optimum levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices.

*Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destination and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi navigation plus route. Periodically the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

**Always pay careful attention to the road, and do not drive while distracted. Audi connect should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. Android, Android Auto, Google Play, and other marks are trademarks of Google Inc. Apple CarPlay is a trademark of Apple Inc.

*** SiriusXM® Satellite Radio subscriptions sold separately or as a package after trial expires. Subscriptions are governed by SiriusXM® Customer Agreement (see www.siriusxm.com) and are continuous until you call SiriusXM® to cancel. Sirius U.S. Satellite Service available only to those 18 and older in the 48 contiguous U.S.A., D.C and Puerto Rico (with coverage limitations).

ABOUT AUDI OF AMERICA

Audi of America, Inc. and its U.S. dealers offer a full line of German-engineered luxury vehicles. The Audi Group is among the most successful luxury automotive brands globally. In 2016, AUDI AG delivered about 1.87 million Audi automobiles and broke all-time company sales records for the seventh straight year in the U.S. Visit www.audiusa.com or media.audiusa.com for more information regarding Audi vehicles and business topics.

“Audi,” “TFSI,” “quattro,” “e-tron,” “S tronic,” “Audi connect,” “MMI,” “Singleframe,” “FSI,” the four rings logo and all model names are registered trademarks of AUDI AG. All other trademarks are the property of their respective owners.

Prices listed are the Manufacturer’s Suggested Retail Prices and do not include destination charges, taxes, title, options, and dealer charges.

Always pay careful attention to the road, and do not drive while distracted. Audi connect should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information; see Terms of Service for information about how to disable and for other details. Android, Android Auto, Google Play, and other marks are trademarks of Google Inc. Apple CarPlay is a trademark of Apple Inc.

Prices listed are the Manufacturer’s Suggested Retail Prices and do not include destination and delivery (\$975), taxes, title, options, and dealer charges. Dealer sets actual price.

Top track speed electronically limited in U.S. Always obey all speed and traffic laws.

See www.fueleconomy.gov for updated information. Actual mileage will vary and depends on several factors including driving habits and vehicle condition.

See Owner’s Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

SiriusXM® Satellite Radio subscriptions sold separately or as a package after trial expires. Subscriptions are governed by SiriusXM® Customer Agreement (see www.siriusxm.com) and are continuous until you call SiriusXM® to cancel. Sirius U.S. Satellite Service available only to those 18 and older in the 48 contiguous U.S.A., D.C and Puerto Rico (with coverage limitations).

Driver Assistance features are not substitutes for attentive driving. See Owner’s Manual for further details, and important limitations.
